

"YOU CAN DO IT"*I Can Do It, You Can Do It And Together We Can Achieve Our Goals***FOS MEETING TONIGHT AT 6PM!****S**potlight On...**BREAK INS**

Over the past 6 weeks five classrooms have had windows or classroom doors smashed by grates taken from the drains around the school.

Our children are the ones this is affecting the most. They are arriving at school to see their classroom covered in broken glass, items stolen and their school work thrown across the room.

If you know anything about these incidents please phone the school office and speak to Deirdre Hodge Ph 846.5091 or phone the Avondale Police Ph 820.5700.

Last Thursday the whole of Puriri team went into a big, blue cosmodome. The director was Mr Fisher. The director taught us about space, the solar system, sirius and the southern cross. A group of stars is called a constellation. It was cool at the cosmodome!

By Jordan Rm5

Dear Mr Fisher

Thank you for teaching Room 6 about the universe and the stars making shapes. It was awesome because we got to see how big the planets are.

Last night I saw Matariki and Venus. Venus was brown and white, then I found Makariki in the sky because I saw three stars pointing to Matariki.

It was cool because you showed us Maui's hook. Also called Scorpion.

I would like to go in the cosmodome again.

From Brianna Rm6

Science & Maths Evening**Thursday 14 July****6.30—7.30pm******FOS Sausage Sizzle At 6pm****

Come along to the school hall to see what your children have been learning about this term!

****Fun Science Experiments****

****Exciting Maths Games****

****Ideas And Resources To Take Home****

Exciting Projects Starting

During the next two weeks building projects will be started. Today we started work on the Junior Toilet Block Upgrade.

In the office and on the noticeboard at the front of the school is a site plan indicating which areas are under construction. Please observe all fenced off areas.

Red Socks

We intend to remember Sir Peter Blake again this year and all the good things he achieved for our environment. We will celebrate Red Socks Day at the end of the term with another Red Disco.

Red Socks are available from the office for \$3.00 a pair (toddlers sizes through to adult).

SUPER READERS

GOLDEN BOX WINNERS

Isaac R2

Te Kahukoka Rose R16

GREEN TICKET WINNERS

Najma R4 & Brianna R6

LIBRARY SUPERSTARS

Ming R5 & Summer R16

WOW CLUB MEMBERS

Remember to record your walking for the term and send back your forms to the Auckland City Council. It is great to see so many children walking to school every day!

MUSIC EDUCATION CENTRE

The piano teacher has been most impressed with the way all students are progressing - but don't forget to keep up daily practice during the school holidays. Most students will be receiving a report from their MEC music teacher in the mail early in August.

TIME OUT THEATRE presents: CIRCUS INCOGNITUS!

Internationally acclaimed clown Jamie Adkins comes to New Zealand with his much loved show that begins with an empty stage and a single microphone. Performing dazzling circus routines and acrobatic feats from the ground and on a high wire, this shy clown needs your help to muster the courage and face his biggest fear; speaking in public.

Adkins has been a featured performer with Cirque du Soleil, and was a Winner of the Annie Fratellini Clown Prize and the winner of a Bronze Medal at Festival International du Cirque de Demain, France.

Thursday 28 to Saturday 30 July, 11am & 1.30pm daily.
Concert Chamber, Auckland Town Hall, THE EDGE.
General Admission tickets only \$15 (service fees apply).
