After the holidays we are having a week where we look at the importance of Asia. Children will be preparing for the special opening of our Asian gardens on Friday 5th August at 11.30 am. We would welcome any of our Asian parents who would like to share something about your culture in your child's class. We have invited Melissa Lee (M.P.) and people from the Asia New Zealand Foundation who sponsored our gardens.

Hip Hop Group

On Sunday 3 July our Hip Hop children performed at Hosanna Church. I was so proud of them all. They have been coming to classes all year and it was fantastic to see them bring it all together in a performance they should be proud of. Thanks to Saga Frost and Pastor Henry for providing this opportunity for our children.

The Hosanna Church have a vision of "Building the church to become the greatest attraction" for our local community i.e. a church without walls. They welcome anyone in and they are also outwardly connecting with our community in many ways. They run Mainly Music Sessions, Youth and Adult Groups, host a weekly 'Bread Run' which is free, Ministerial Services to the Prison, and they are supporters of our school. Such a warm, inviting group of people. Thanks for having us.

*Kaaren Holland-Kara***One Hundred Days at School**

Yesterday Room 12 were celebrating one hundred days at school. Room 12 was celebrating the days. They counted from one to one hundred.

Each child in Room 12 brought one hundred things to school. I brought one hundred blue beads. Lots of classes came to look at our collections. Mrs. Tregoweth came and Miss Whysall came and Mrs. Cramer came.

Some people were talking to us and asking about our collections. After lunch we went to Room 10 to see their interesting collections. Parents brought food for our party and then we ate the food. We had a party because we had been one hundred days at school. I was excited. Viliami's mum brought some spare objects for other people to use to make their collection. I enjoyed the party very much.
